HARMONY DAY

Celebrating Our Cultural Diversity

FRIDAY 21ST MARCH 2025

HARMONY DAY 21 MARCH

Students are encouraged to wear orange to show their support of Harmony Day which is about inclusiveness, respect and a sense of belonging for everyone.

PRINCIPAL REPORT

It was great to see our students back at school last Wednesday after being non-operational for four days due to the flooding evacuations orders. Once again thank you for your support and patience as we worked to ensure that students could return to school as quickly and as safely as possible after the effects of ex-tropical cyclone Alfred.

This week, our Year 3 and 5 students will begin NAPLAN. These will continue into next week and they cover skills in reading, writing, spelling, grammar and punctuation, and numeracy.

This Friday 21 March, students are encouraged to wear orange to school in honour of Harmony Day. Harmony Day is part of Harmony Week, which celebrates Australia's cultural diversity and promotes inclusiveness, respect, and a sense of belonging for all. Students will participate in activities on the day that celebrate Australia's rich cultural diversity.

PARENT/TEACHER INTERVIEWS

Our Parent/Teacher Interviews will be held this week on Wednesday 19 March 2025. This is a great way to communicate early with your child's classroom teacher and to build that critical partnership that will support your child.

A link to book through the Sentral Parent Portal has been emailed to all parents/carers or phone Jess in the office to book. We look forward to meeting with you!

P&C MEETING THURSDAY 20 MARCH 2025

Our next P&C meeting will be held on Thursday 20 March 2025, at 5.30 pm in the K/1W classroom. This meeting will be our AGM where all positions will be declared vacant. Hope to see you there!

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...	they miss weeks per year	and years over their school life
1 day per fortnight 	= 4 weeks	= Over 1 year missed
1 day per week 	= 8 weeks	= Over 2.5 years missed
